BEFORE ANY PLAY

5 Growth Rules

- [ ] **Analyze Your Full Pipeline**
  Campaign results show 1 stage. Every week, check accounts showing interest, stalled deals, Closed Lost deals and champions who changed jobs.

- [ ] **Write a Test Plan**
  5 lines before every play. Use the template on the next page.

- [ ] **Kill or Scale**
  No meeting by your decision date? Stop. A meeting? Run it on your next 3 similar accounts.

- [ ] **Use Data You Already Have**
  Your CRM has stages and Closed Lost. Website visits show interest. LinkedIn shows job changes. Pull all 3 together once a week.

- [ ] **Report Meetings, Never MQLs**
  Track meetings booked and deals that moved a stage.

5 PLAYS FROM MY VIDEO

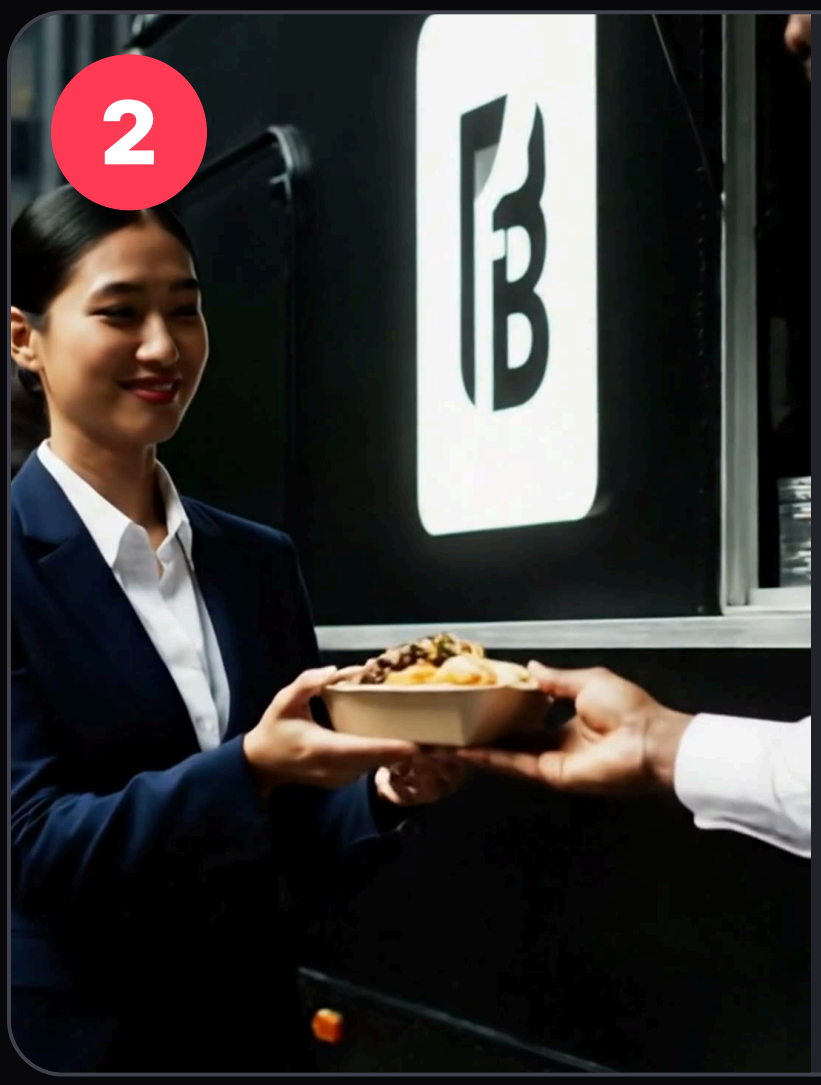

Banner Plane

WHEN
An account keeps visiting your pricing page

DO
Fly a banner over their office with their name and your phone number

MEASURE
A meeting within 2 weeks

WHY IT WORKS
Their whole office sees their name in the sky, and the photo reaches the CEO before your email does.

Food Truck

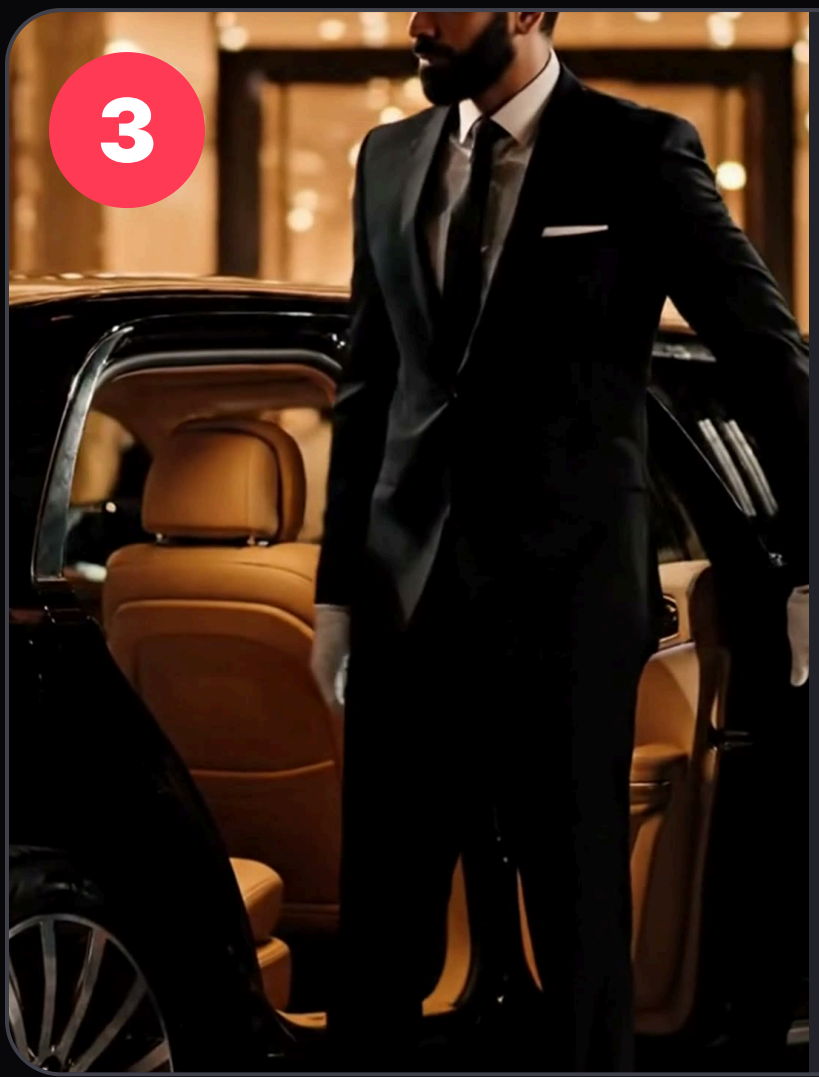

WHEN
You need the whole buying committee, not 1 contact

DO
Park a truck with their logo outside their office. Lunch is on you

MEASURE
New contacts from that account who reply

WHY IT WORKS
The whole committee eats your lunch on the same day, including contacts who never answer your emails.

5 PLAYS FROM MY VIDEO

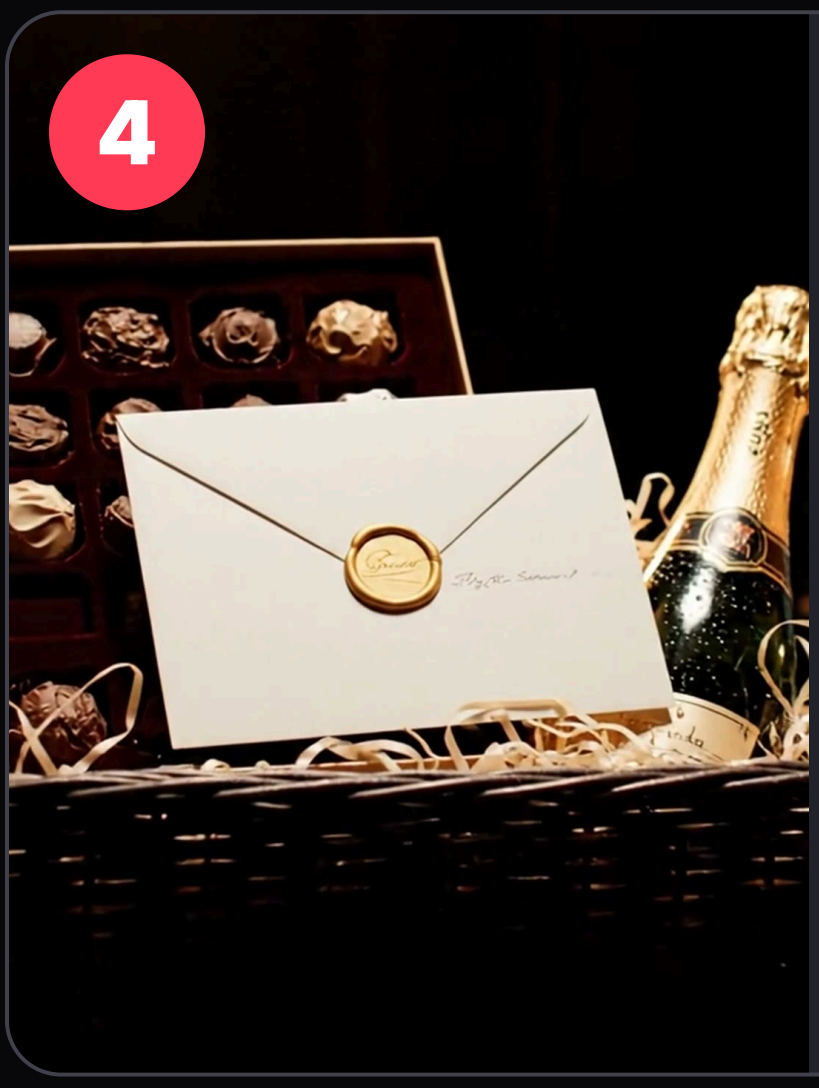

Private Driver

WHEN
Your target is flying in for a conference

DO
Send a driver to take them to the event, and share the ride

MEASURE
A meeting booked from the ride

WHY IT WORKS
A full ride alone with your target, and nobody can call it kidnapping.

Gift Basket

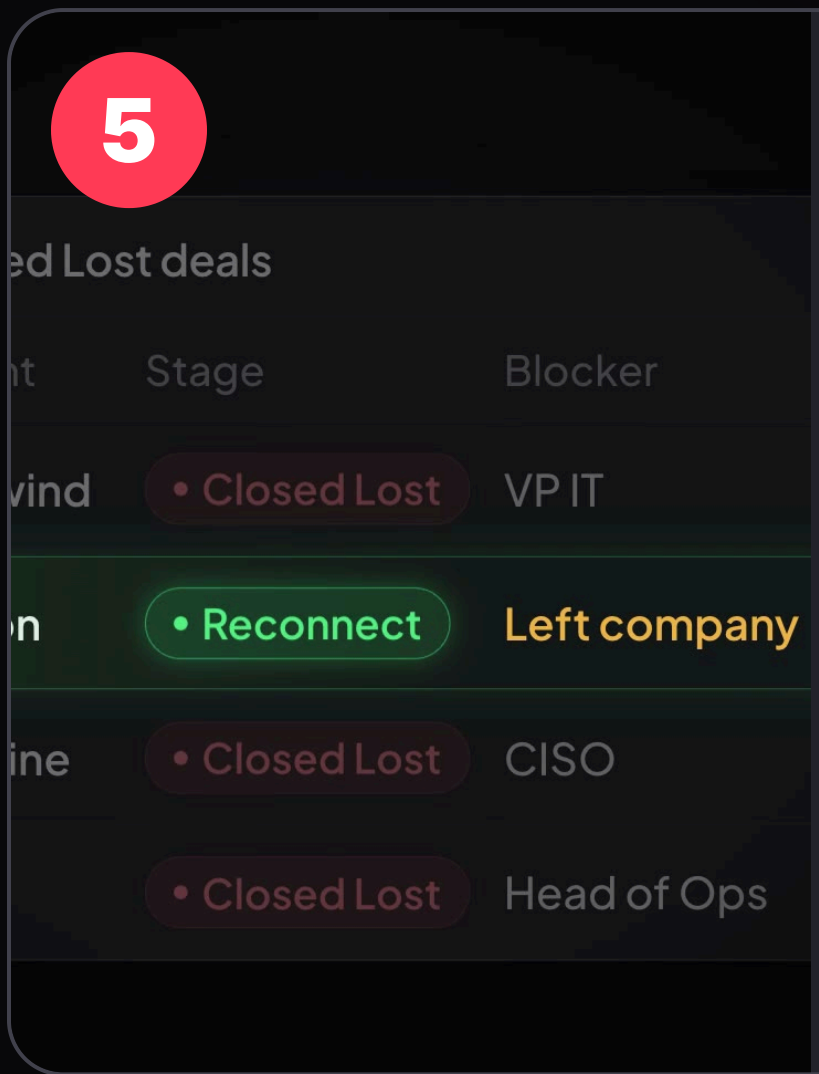

WHEN
Your champion starts a new job

DO
Send a basket in their first week

MEASURE
An intro to the buying committee at their new company

WHY IT WORKS
They're building a new stack and already trust you, so you're the first vendor they bring in.

PLAY 5 IS MY FAVORITE

Costs $0

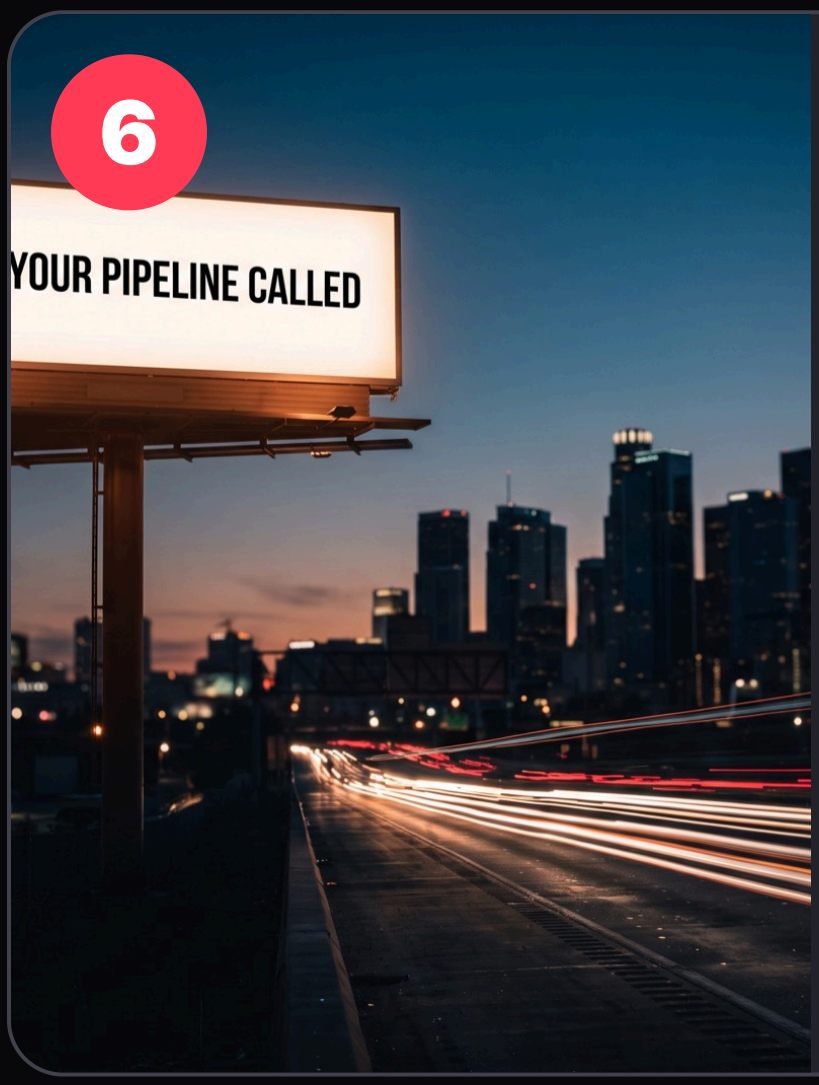

Reopen Lost Deals

WHEN
The person who blocked the deal leaves

DO
Log who blocked every Closed Lost deal and set an alert for the day they leave. Then reconnect with the rest of the committee

MEASURE
The deal reopening

WHY IT WORKS
The committee already said yes once, so the deal restarts warm.

Bonus

Billboard on Their Commute

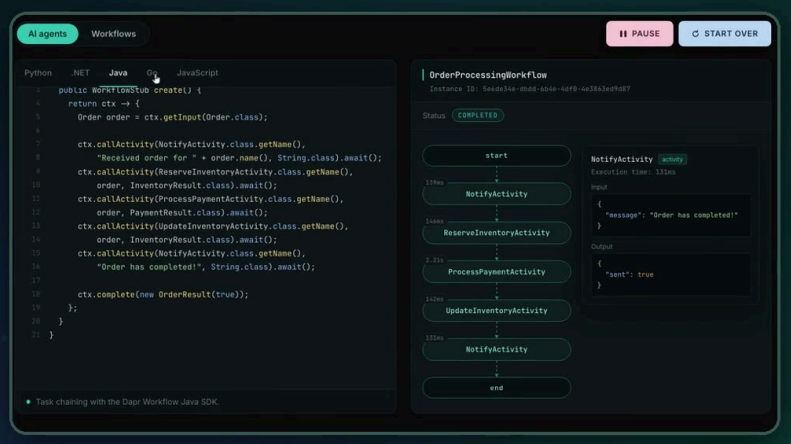

WHEN
A top 10 account's CEO ignores your outreach

DO
Rent a billboard on the CEO's drive to work, with their company name and 1 line about their problem

MEASURE
The CEO or their team reaching out

7

r Agents

I Ran This One

A Song About Their Company

WHEN
Their CEO just posted company news on LinkedIn

DO
Send the CEO a video clip with a song written about their company, then follow up with a LinkedIn voice note

MEASURE
A reply from the CEO

WATCH IT

Feels Illegal

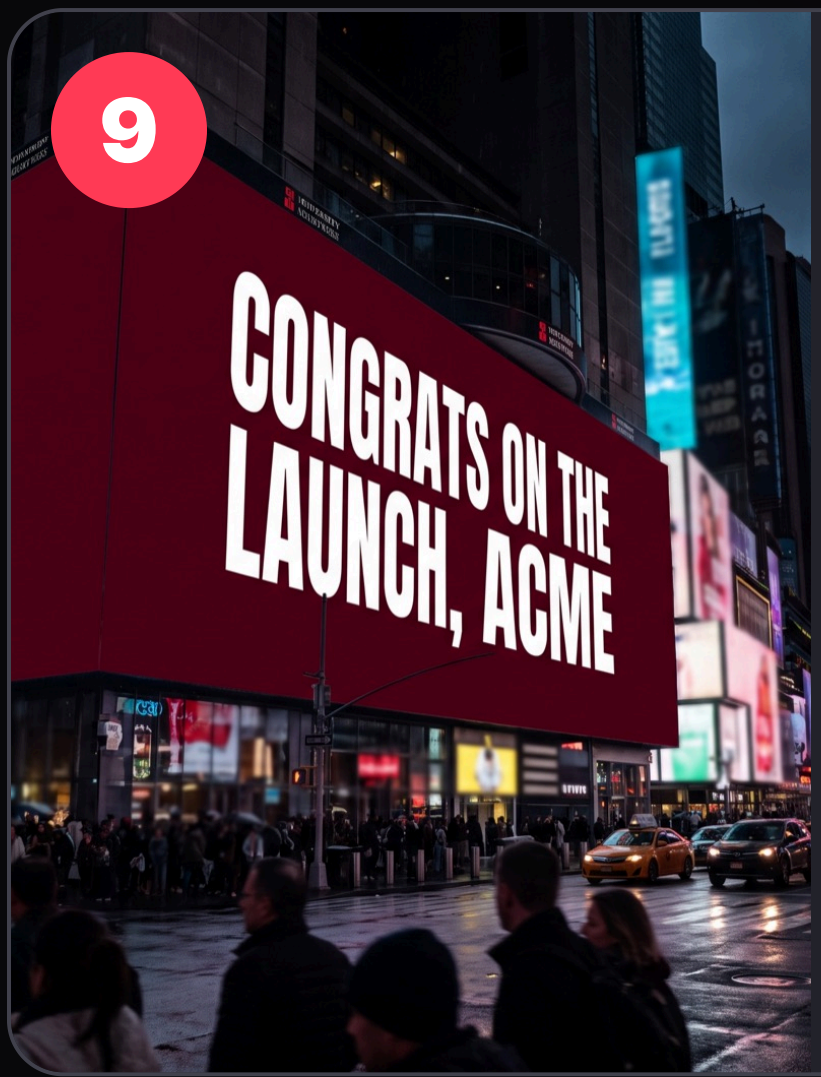

Hiring for Their Job

WHEN
A VP or CEO at a target account ignores your outreach

DO
Run a LinkedIn Ads post that looks like a job ad, with their company logo and their own job title. When they click, they find out your company is inviting them to interview you as their next vendor.

MEASURE
A click and a reply from that exec

7 BONUS PLAYS

Times Square Congrats

WHEN
The account just announced funding or a launch

DO
Put a congrats message with their logo on the biggest screen in their city, and send the CEO the photo

MEASURE
A reply from the CEO

Their Movie Trailer

WHEN
The account raises funding or launches a product

DO
Send the CEO a movie trailer starring their company and their launch, made with AI video

MEASURE
A reply from the CEO

7 BONUS PLAYS

11

I Ran This One

AI Avatar Video

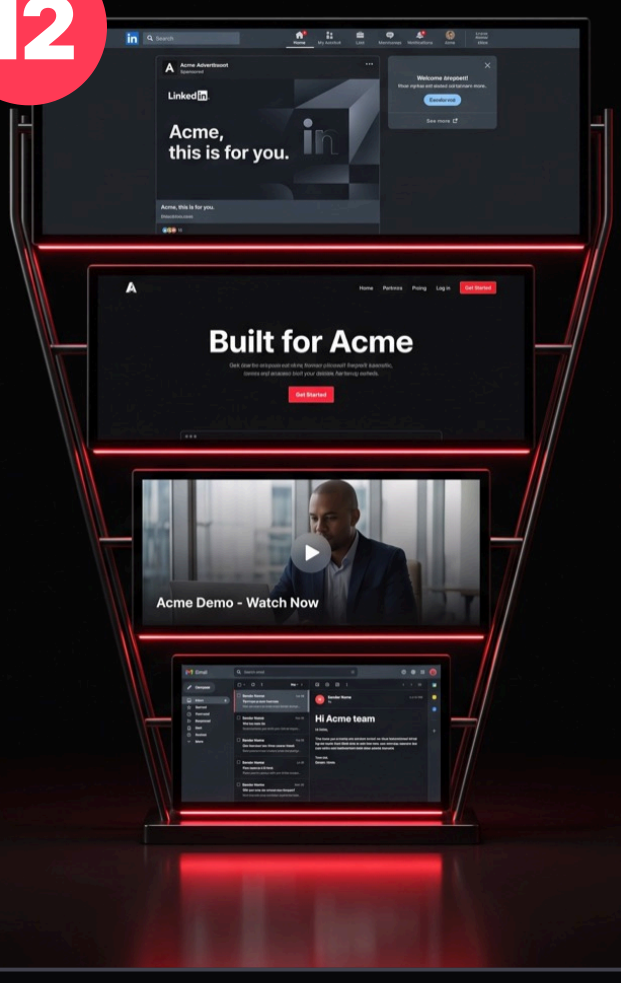

WHEN
Their CEO posted about a pain your product solves

DO
Send a LinkedIn video of your own avatar talking about that exact post

MEASURE
A reply from the CEO

THINK IT LOOKS FAKE?
Think again. This is the one I sent to Sri at H2O.ai.

12

Easiest

Funnel Per Account

WHEN
An account fits your ICP and shows interest

DO
Build 1 funnel for that 1 account: an ad, a landing page, a video and an email sequence, all with their name and their problem

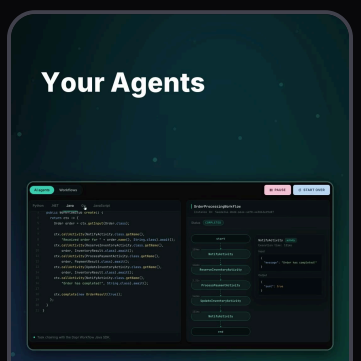

MEASURE
A meeting booked from that account

WHY IT WORKS
Teams build 1 funnel per segment. AI builds each piece in minutes, so you can build 1 per account.
